Professional Development for Educators

Teach Science through Art

Put some Steam into your Stem classes. This workshop will be fun and fast paced with many hands-on activities educators can use in their classrooms, discussion of classroom and curriculum integration. Workshop participants will have the opportunity to experiment with different media including clay, watermedia, pastel, and colored pencil. No previous art experience is required for this workshop. The workshop is suitable for educators teaching K-12. Register for either session. Graduate credit available.

Date: June 1-2, 2022

Location: Lake Region State College, Devils Lake, ND

Register through NESCC. Cafeteria credit available through VCSU
